Re: State Universal Service Support of Basic Local Service Included in a Bundled
Service Offering or Contract Offering
Docket No. 2009-326-C

Dear Mrs. Boyd:

After reviewing the petition for rehearing and reconsideration filed by the South Carolina Cable Television Association and tw telecom of sc, ORS respectfully submits that no new arguments were raised, and the Commission should uphold its decision. For the reasons set forth in our brief and in Commission Order 2010-337, ORS supports the Commission's finding that basic local exchange telephone service provided as part of a bundle or contract offering should receive State Universal Service Funding.

Very truly yours,

Nanette S. Edward
